Aitutaki

Aitutaki is one of the Cook Islands, north of Rarotonga.

Some Facts about Aitutaki

- It has a population of approximately 2,000.
- The main village is Arutunga on the west side.
- It has a maximum elevation of approximately 123 metres.
- The Cook Islands weather is tropical with two seasons...dry and wet.
- The wet season begins in late November and lasts until April or May.
- The Cook Islands also has its own distinctive notes and coins which are in circulation alongside the NZ currency, and of equal value.

Differences Between Christmas Island and Aitutaki

- There are more bonefish on Christmas Island
- The bonefish are bigger on Aitutake
- Most fishing is done from a boat on Aitutaki
- All fishing is done wading on Christmas Island
- Guides are more expensive on Aitutaki
- Accommodation on Aitutaki is of a much higher standard
- Flights are more frequent to Aitutaki
